Global Training Network  
Training Leaders † Transforming Lives**

Dear friends, we praise God every time we think of you. Your partnership and prayer enables us to continue to serve God and build his Kingdom.

**After a great time of ministry in the US it's time for us to head overseas**

*Highlights of our time in the US*

- I taught at Anthem Church TO for the last 5 weeks and saw God produce great fruit from that time. (Check out my sermons on [www.steveandconnielarson.com](http://www.steveandconnielarson.com))
- Through that teaching, God opened up several counseling opportunities where we have been able to pour into the lives of others
- I continued to mentor several young Pastors and encourage them in ministry
- Connie and I are teaching a 3-week Parenting workshop in June

- I'm teaching a class for 5<sup>th</sup> & 6<sup>th</sup> graders to help them cultivate a personal walk with Jesus

## Next Steps Overseas

Our goal whether at home or around the world is to allow God to use us to build his kingdom by making disciples who make disciples (2 Timothy 2:2)

At the end of June, Connie and I begin a new season of training leaders around the world

- July – Hong Kong and China – we will teach in Hong Kong on Sundays and during the week we'll head into China to teach and train leaders
- August-September – Nepal to train young Pastors for effective ministry and discipling
- September – Hopefully Sri Lanka as we return regularly over the next 3 years to fully equip Pastors for life and ministry.

Answers to prayer:

Our time home (April, May, June) was some of the most significant ministry we've had in the US since leaving the Bridge in 2013. We were blessed to see God use us in the lives of leaders and growing believers. We leave on our

round of travels with hearts full of thanksgiving.

Prayer Requests:

- Our trip to Sri Lanka is a little iffy because of devastating floods last month and the intense persecution against the Christians. Please pray that God will open the door for us.
- Please pray for our finances. We need about \$6,000 to catch up for this year. God has been so good and we are trusting him for this short-term need
