A NEWSLETTER FROM Steve and Connie Larson

VOLUME 2

A Season of Sowing into the lives of Leaders *by Steve Larson*

Our travel was challenging, but the fruit was amazing!
In Surket which is in remote Eastern Nepal, we had the privilege of introducing the book of Revelation to a group of leaders who had never been exposed to this important book. I was able to teach the entire book in about 15 hours of training.
I was overwhelmed! When we came to Revelation 19 and taught the glorious truth of the coming of Jesus Christ. **The whole group spontaneously stood to their feet and began applauding!** It gave me a preview of the worship Jesus will receive when this actually happens!

September in Colorado

In Late September, Connie and I are headed to the Timberline Campus of the Torchbearers in Winterpark, Colorado. This blessing has given us the opportunity to pour into the next generation of leaders. **These young people are going to be strategic leaders for the Gospel.**
I've been training these students for 4 years (Different group each year) and the impact on their lives continues to deepen!

December in Nepal

We return to Nepal to participate in a Graduation and continue to equip the Pastors still being trained.

I will continue working with the Pastors who are in the middle of their training. In addition, I will have the privilege of celebrating with those who have completed their training.
We are also preparing to train trainers who will be able to expand the ministry throughout Nepal. To this end, we are translating all training materials into Nepali!

December in Burundi

The Doors in Burundi are opening

We are returning to Burundi to continue the work of training Pastors and Leaders who are so hungry to be equipped in God's Word. Pray for us. This is a very expensive trip. Pray that we will have the funds available to continue the work here!
