

Steve and Connie Larson serving with Global Training Network Training Leaders † Transforming Lives

We praise the Lord for his faithfulness and
your partnership with us

Liberia was fruitful ministry

This was one of those "God moments" where God matched our teaching on parenting with a great need among the Pastors and wives he called us to serve. After the first session, people began to share their great need for this training. Over a dozen times I heard this very phrase:

"No one has ever helped us understand
what God says about raising our children."

By the second day, they were confessing their sins and making changes in their families and God was already bringing blessing from that change!
