Nepal has been a wonderful confirmation
that God wants to continue using us
around the world

I'm in Kathmandu, Nepal right now. I've just finished 2 weeks of training National Pastors in two very remote areas.

I work with two godly leaders in Nepal, Satya and Beki. Together we taught the Gospel of John to 2 groups of Pastors. These committed men and women were blessed to gain a clear understanding of John and are excited to teach their churches.
