

## Steve & Connie Larson Serving God through Global Training Network!

We are so humbled and grateful that you have stood by us through this year that has been frustrating and difficult for all of us. Connie and I have some wonderful praises and some exciting news for you.

### Exciting News as we come to the end of 2020

**First** of all thank you for praying for Connie's shoulder. In July, she broke her humerus (upper arm) in 7 places and had to have surgery. She had a partial shoulder replacement and is now undergoing rehab. **The praise is that Connie is far ahead of schedule in her recovery.** She is able to drive and do about 80% of the things that she needs to do. I praise God for the strong, trusting wife he has given me! She is doing great.

**Second**, this year has been a year for limited travel, but the Lord has continued to use us in powerful ways. **Connie and I added them up and we have had over 320 counseling/mentoring/discipleship connections with people he has placed in our lives.** I am so grateful that he is using us here in the states to make a difference for his kingdom. We are working with married couples, single adults, parents who are struggling, and young pastors/church planters in their ministry!

**Finally**, we would like to offer our ministry to you. If you are in need of counsel, coaching, or mentoring, please email us. We can set up a meeting in person if you are local, or via zoom if the distance is greater!

#### By the way

On November 1 I will be preaching at Anthem Thousand Oaks on 1 Peter 2:17-25,  
"The Incredible Power of a transformed life"

On November 15, I will be preaching at the Bridge in Newbury Park on  
"the Power of a grateful heart"

I will post links on Facebook for seeing those messages. Let me know if you'd like me to email them to you.

In September I celebrated my 70th birthday! I am now officially an adult. This is my brother Jim, Connie, me, and my sister, Christy!

### Now for the Exciting News!

Steve is going to Rwanda in December!!!

Travel is beginning to open up and Steve is planning to go to Rwanda for the first half of December! He will be teaching National Pastors through the Gospel of John which is a foundation for our understanding of Jesus and our faith!

Please pray for Connie while she is alone with her rehab and for Steve that God will grant him health and the power of the Holy Spirit as he teaches.

## How you can help

Because the Covid has hit the Rwandan economy hard, we are going to be participating in the needs of the Pastors who will be traveling to the training. We're not sure of the final cost, but it will be from \$2,000 to \$4,000 plus the \$500 to run off the materials for them. This will be in addition to travel and lodging for me.

**We are so grateful to God for your prayer support, financial faithfulness and friendship. I'm excited to finally get back to the field to do what God has called us to do. If you could make a special gift to help cover the costs of this trip or consider a special end of year gift. We would be grateful to God for you!**
