God's Faithfulness is on Display!

This season has been an eventful one both in our personal lives and in our ministry with Global Training Network. As always, in good times and bad, God has faithfully shown that he has our back.

First, on January 22, 2021, Connie's Mom, Evelyn Belisle passed away at the age of 92. There are two things we are praising God for. First, her passing was peaceful. Connie had been going down about once a week and so she had many opportunities to spend time with her mom in her last days. Second, in the last 2 years, we had increasing evidence of Evie's faith and we believe that she is safe in the arms of Jesus. Right now, Connie is very busy with her mom's final affairs, so pray for her.

The world has started to open for Steve to travel. In December, he traveled to Rwanda for the first time to minister to a group of young Pastors as he taught the Gospel of John. **The Response was Amazing!** The men and women were so encouraged to take the teaching and pass it on to those God has placed in their lives.

In February, Steve returned to Liberia where he experienced perhaps the most powerful moving of the Holy Spirit in and through his life. He taught on Biblical Counseling which is really about how to influence others for the Kingdom of God whether you're a counselor, a Pastor, a parent, or a friend. Steve shared the need to love which also includes the willingness to be hurt by those you serve! So many people confessed hurt and the fact that they needed to reopen their hearts to the Lord and other people in their lives.

Just this last Friday, Steve had the opportunity to teach 30 Pastors and leaders in Sri Lanka via Zoom. It was awesome rekindling relationships with those he has taught in recent years. Hopefully, we will be able to return to Sri Lanka in 2021.

In April, Steve is finally able to return to Nepal to continue the training that has been suspended for over 18 months (first his heart problem and then Covid). Steve is excited to be able to rekindle relationships with these brothers in Christ who are serving on the front lines of the Kingdom of God in Nepal!

Connie

I don't know if you remember, but last July, Connie severely broke her arm and had shoulder surgery. In addition, she has been caring for her mom, so she hasn't been able to travel with Steve. But as always, she has been busy mentoring young women and encouraging others who have been going through difficult times. It seems as if God is deepening and expanding her ministry here in the US.

Pray for us!

Thank you for financially partnering with us and thank you for praying for us. Pray for timing for 2021: Training in Rwanda, Sri Lanka, Ethiopia, and perhaps even Myanmar (if the political situation cools down a little). Pray for health (we've avoided Covid so far) and especially for
