Thanksgivings 2021

One of our great thanksgivings for this year has been the healing of Connie's shoulder (surgery in July, 2020) We had two amazing milestones: Last week for the first time since her surgery. Connie was able to ride her bike! Then 3 days later she played golf. It was great for us to enjoy these two activities together!

Another amazing thanksgiving was how God has allowed me to navigate challenges like Covid and Volcanoes to continue to train Pastors in Nepal, Rwanda and Liberia! It's been a fruitful year so far and God has shown that he has my back!

May Training in Rwanda

In August, I will be going back to Rwanda to teach Part II of biblical counselling. I will be training pastors to help people with God's Word and God's Spirit to weather difficulties such as depression and anxiety. We will also help them help people overcome life dominating sins such as pornography, alcoholism, and drug abuse. Finally, we will focus in on how to overcome destructive emotions and actions such as anger, abuse, and deception. I believe that God is going to use this powerfully in the lives of the people. **PS** I will be returning to Rwanda in November to teach Romans, the book that celebrates the freedom, forgiveness, and power of the gospel!

Note: Because of Government restrictions we cannot meet in churches, so we will have to rent hotel space to hold our training.

This is doubling the "In Country" Costs for this trip!

If you can make a special gift to help us cover these expenses we would be grateful!

April Nepal Training

In October, I will be going to Nepal to give the final training before our first two classes graduate. This class will be on Pastoral Ministry where I will share principles and practices of effective ministry.

If you have been partnering with us financially. . .Thank you Your gifts are sustaining the ministry that God has called us to. Whether by regular support or special gift, your partnership is so encouraging!

If you haven't partnered with us . . .We would love to invite you either to make a special donation or begin supporting us on a monthly basis. Expenses are going up, but so is the fruitfulness of the ministry!!!

To all of you. . .THANK YOU FOR YOUR PRAYER SUPPORT! There is intense spiritual warfare on every trip we take!
