## 2021 Recap

**JANUARY** God has given such protection in 2021. We were able to dodge Covid lockdowns throughout the year. In January, I (Steve) went to Liberia and enjoyed a Holy Spirit empowered time training Pastors, wives and leaders on Biblical Counseling. During that time, the Holy Spirit fell and many recognized their own sins and repented from them.

**MARCH** In Nepal, I had the wonderful opportunity to do two training sessions on spiritual gifts and the power of the body of Christ. It was a great chance to clear up some misunderstanding on the Holy Spirit and spiritual gifts. The day after I left, Nepal locked down for Covid. God had my back.

**MAY** I went to Rwanda to begin training on Biblical Counseling. I did Part 1 which covers the need for spiritual authenticity for the counselor and the basic principles of Biblical Counseling. In the second training session, I taught the Gospel of John. We are building great relationships with these leaders as it was my 3rd trip there.

**AUGUST** back to Rwanda where I invested 40 hours training the Leaders Part 2 of the Biblical Counseling Course that Connie and I wrote. It was so powerful to see the Pastors, Evangelists and leaders gain confidence that they could make a difference in the lives of others. They gave me the feedback that they were excited to engage Christians who were struggling with the principles they learned in Biblical Counseling.

**NOVEMBER** *This was the first time Connie came with me since her shoulder surgery in July 2020!* I began teaching Romans to the Pastors and Connie taught the wives and other female leaders on the power of developing a strong inner life and the godly character that God desires for all the women. Connie went home after that teaching and I continued to a new area, Bihembe, where I began working with a new group of Pastors. Both sessions were so exciting. I saw the ladies respond so powerfully to Connie and I also saw the book of Romans make a life changing difference in the lives of both groups!

## 2022 Forecast

2022 is going to be a challenging but fruitful year. **Already, between January & May, we have 5 trips planned:** Rwanda (2x), Liberia, Nepal, and Ethiopia. All of our expenses will be greater, but we are trusting God to meet that need.
