Global training Network Steve & Connie Larson
Training Leaders Transforming Lives Serving for 10 years

2023 is a year of growth and fruit

Nepal

Whether we've been in Nepal, Burundi, or here at home, we've seen God do incredible things through the ministry he has given us. In February, I continued training Pastors, Leaders, and Church Planters in two areas of Nepal. This is my second year with these two groups and this Fall, they will be graduating with their Certificates of Ministry.

In March and April, Connie was busy discipling, mentoring, and counseling young women who have great potential to become disciplemakers (2 Timothy 2:2) I was writing material for training Pastors in Biblical Theology and the Truth about the Bible, God, Jesus, and the Holy Spirit. Together, we've had the privilege of counseling several couples, and teaching people to become disciples who become disciplemakers.

Burundi

Burundi is a nation just south of Rwanda. According to Wikipedia, Burundi is the poorest nation in the world. If you read the description from the Internet, you would never choose to go there, but earlier this year, I together with Chuckk Gerwig and Doug Posey met a man from Burundi who excited us about the possibility of ministry there. So we decided to do an exploratory trip. Wow! What a blessing this was. We trained 56 Pastors and Leaders.

I returned last Sunday (5/27) from Burundi overwhelmed with the joy of what God had accomplished. It was one of the most blessed trips I have taken in Africa. As we saw their hunger learn and ability to grasp God's Word, God gave us a wonderful confirmation that Burundi will be a great opportunity for ministry in the future. I'm already planning to return this winter.

Plans for the rest of 2023

This Friday, I take off again for Nepal to teach the second portion of Biblical Theology to the same students you saw from Bkaktapur and Chandrapur. If God wills, I'll return again in the Fall for one more course and then we will graduatethese two classes **We already have 6 other areas in Nepal waiting for training. So in 2024, we will begin training for two of these areas!**

Also in the Fall, I am planning to return to Liberia to resume training there and also to lead a second trip to Burundi! As you can see it will be a busy year!

Opportunity for Connie this Fall

Please pray for Connie. She is looking into an opportunity to go to Thailand with Zoe International. She is very excited about the possibility for ministry. She is hoping that two young women that she mentors can come with her on this mission trip. Please pray that God will open the doors for the three of them to go!
