# Great Opportunity for Connie

## From Connie

This November 8-19, I have an amazing opportunity to serve God with 3 other young women (that I am mentoring) in Thailand! We will be partnering with Zoe International. We will be joining a team with ZOE, an organization that brings God's life to the nations and rescues at risk children.

Our top priority is to share the good news of Jesus Christ with the people in Thailand. We will visit children's homes, rural mountain villages and take the love of God into the market places.

I am very excited about this opportunity and would love for you to partner with me both in prayer and finance as the Lord leads you to give. The total cost of the trip is \$3,145. \$1,595 of this amount is due by July 3 (real soon!). The final payment is due Oct. 3.

You can give online by clicking on the button below  
Or you can give by check. Make the check out to Zoe International  
and on the memo line put: STM NOV23 (CONNIE LARSON)  
Mail the check to P.O. Box 221510, Santa Clarita, CA 91322

## Nepal Report

I just returned last Thursday from Nepal. I taught part 2 of Biblical Theology (New Testament). I was blessed as I prepared. I saw how the Bible fits together more clearly than ever before! The key word for the Old Testament is **promise**

and the key word for the New Testament is **fulfillment**.

# Burundi Report

My heart is full as I'm flying home. I have had one of the most amazing times connecting with young students in Africa that I've ever had. We had 56 students and even though it was hot and humid, they were eager for the training that we were bringing them. I taught a Theology 1 course which consists of the study of the Bible, the teaching about God, Jesus, and the Holy Spirit.

**God is teaching me that even Theology courses are about life change. He gave me the wisdom to shape all the courses to spur them to love and good deeds.**

Rather than just teaching the truth of God's Word, I turned the focus to the power of meditating on his Word (Psalm 1) – It was revolutionary for these students and they became very excited about learning to memorize and meditate on God's Word.

With the Doctrine of God I turned the focus to the transformation in your life if you believed the truth of who God is. We focused on Scriptures such as Romans 8, Psalm 18:1-6, 27:1-3, and 46:1-3. These students got so excited about our Sovereign, God who loves us and how they could experience confidence and peace in any situation.

In the doctrine of Christ, we focused on the importance of hoping in his coming! (1 John 3:2-3) Finally, we spent the last day studying Galatians 5:16-22 to learn how to walk by the Spirit. I made some amazing friendships with these students and I am still in contact with them as I prepare to return in the fall.

# Plans for the Fall

**So my Fall Schedule is firming up.**  
**Mid September - Nepal**  
**October - Burundi**  
**November - Lord willing Liberia (Still have to arrange dates)**  
**We already have 6 other areas in Nepal waiting for training. So in 2024, we will begin training for two of these new areas!**

Connie and I are so grateful for your prayer support. We are facing spiritual attacks on nearly every trip. Pray especially for Connie as she prepares to go to Thailand this November. Please pray for me as my heart aches and challenges my strength. Also, we are grateful for your financial partnership. Every investment you make goes to defray the costs of transportation and the training conferences.
