**We are so grateful to God for your partnership and friendship
and your prayer for our lives and ministry.**

**In January, Connie & I returned to Nepal
to begin training with new students**

**In February, we trained High School Students at a Summit
Weekend**

**then I went to Timberline (A torchbearer center in Colorado)
to train Gap Year Students as they learn to walk with Jesus**

In March, I returned to Burundi to begin a new round of training.

Next Steps: In June, it's back to Nepal for a new group for training

January 2025, Nepal

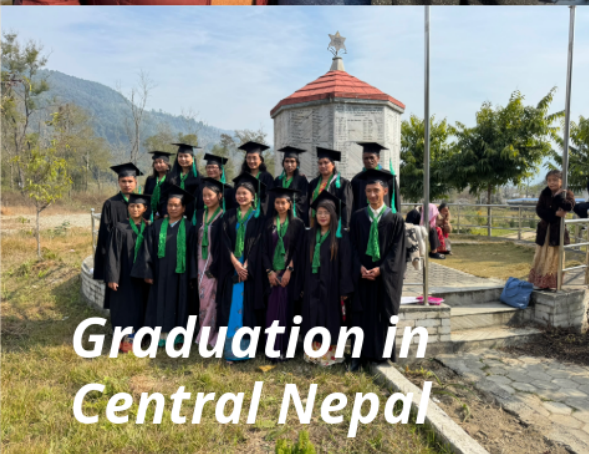

*Teaching in
Pokhara*

The Himalayas

*Being honored by
our new friends*

*Graduation in
Central Nepal*

**The trip was not easy (lots of difficult driving), but the blessing was
amazing. We went to Pokhara and were privileged to teach the
glorious truth of how, despite our sin, Jesus died to give the
opportunity for eternal life for all who believe. We then went to a
small town in Central Nepal where we graduated students who had
studied for 2 years!**

February 2025, Training U.S. Young Adults

In February I had two amazing opportunities. We held a Summit at Anthem Church in Thousand Oaks, CA specifically to equip High School Students to walk more intimately with Jesus. That was Friday-Saturday. Then the next Monday I was on a flight to Denver to teach students who are taking a gap year between High School and College to prepare them to be able to grow in their faith throughout the college years. I taught both groups a curriculum I have developed on Walking by the Spirit according to Galatians 5:16-25. It was so exciting to see them put this into action right from the start. Several of the students have already shared that this is making a great difference in their lives.

March, 2025, Burundi

Burundi continues to be a rich experience of equipping Pastors and Leaders to study and teach the Word of God, and to lead churches. Their level of interest is so encouraging and they are challenging me to be the leader God wants me to be!

Blessing

Connie and I praise God for his continued strength for me physically. When I travel, Connie continues to faithfully minister to young women in our community. It's overwhelming to see their gratefulness to God for Connie. She is truly an amazing partner in life and ministry!
